

PHOTOGRAPHIC ABSTRACTIONS

A MONASH GALLERY OF ART TRAVELLING EXHIBITION

ARARAT REGIONAL ART GALLERY

21 MAY – 12 JULY 2015

You, your family and friends are invited to a special viewing of

Photographic abstractions

Drawing on Monash Gallery of Art's nationally significant collection of Australian photographs, this exhibition highlights works by artists who use photography to achieve abstract effects. Ranging from modernist geometric abstraction and the psychedelic experiments and conceptual projects of the 1970s, through to recent explorations of pixelated pictorial space, this exhibition surveys a rich history of abstract Australian art photography.

A floor talk will be presented by

Stella Loftus-Hills
