

April 3-4, 2014

UIA/E

INTERNATIONAL CONFERENCE

UNSPOKEN ISSUES in ARCHITECTURAL EDUCATION

Eastern Mediterranean University, Faculty of Architecture, Famagusta, North Cyprus

Conference Themes

Diversified Mediums

- The mass / digital / social media and architectural education
- Information and knowledge in architectural libraries
- Implicit learning and education
- Extracurricular activities / informal education
- Pre-undergraduate education (for architecture)
- The role of accreditation in architectural education

Dynamic Philosophy

- Ideology / beliefs and architectural education
- Authentic pedagogic models for architectural education (studio versus live project)
- Architectural education for conflicted fronts / disaster management
- Contextual / regional / local effects in architectural education

Contradictory Education

- Architectural education for professionals
- Technology and architectural education
- New challenges / trials
- Architecture for the poor
