

The practice component of this PhD is documented on the website:

<https://www.compilingfragments.com>

To access the website, please use the following password:

KYRIAKISPANOUPHD

The website consists of five webpages (Fragments I, II, III, IV, V). Each section responds to the respective sections of the thesis.

Fragment I: Wear and Tear, pp.49–58 Fragment II: Letters, pp.85–96 Fragment III: A Crack, pp.102–113 Fragment IV: Blurriness, pp.143–147 Fragment V: Fragments of Fragments, pp.157–161

An extra page titled ‘Viva Presentation’ displays the documentation of the slides presented during the Viva – as suggested by the external examiners.

For the purposes of this digital submission, copies of the work presented on the website could be found in this digital folder too.

However, the more detailed explanation of the work, image and video compositions which comprise the practice component of this PhD, could be accessed on the website.
